THE TRAVELER

WAYLAND BAPTIST COLLEGE

PLAINVIEW, TEXAS

Remember. Remember the classes, the work, the fun, the unhappiness, the joy, the friends, the acquaintances, and the faculty. These are all a part of your past now, but the staff of the 1964-1965 TRAVELER hopes that this book will be a "memory book." We hope that in years to come, you can open this book and laugh, cry, and ponder over those events now committed to time. ". . . . . So does memory make life sweet."

IN MEMORIAM

Posie Greer Brown

(Deceased January 1, 1965)

You cannot find in the New Testament any of those hateful representations of dying which men have invented, by which death is portrayed as a ghastly skeleton with a scythe, or something equally revolting. The figures by which death is represented in the New Testament are very different. There are two of them which I think to be exquisitely beautiful. One is that of falling asleep in Jesus. When a little child has played all day long, and becomes tired out, and the twilight has sent it in weariness to its mother's knee, where it thinks it has come for more excitement, then, almost in the midst of its frolicking, and not knowing what influence is creeping over it, it falls back in the mother's arms, and nestles close to the sweetest and softest couch that ever cheek pressed, and, with lengthening breath, sleeps; and she smiles and is glad, and sits humming unheard joy over its head. So we fall asleep in Jesus. We have played long enough at the games of life, and at last we feel the approach of death. We are tired out, and we lay our head back on the bosom of Christ and quietly fall asleep.

H. W. Beecher

So Mrs. Posie Greer Brown, counselor at Brotherhood Hall, laid down to rest in Jesus. She had played her game of life hard and well. She had been a Christian worker, a good wife, and a mother of forty-five boys. Mrs. Brown brought comfort, love, understanding, and joy to those who knew her. She was dedicated to others around her, and her main concern was to have others succeed in life.

The facts of her life are now gone down the river of time. Her human body is gone, and, perhaps, her human form will be forgotten—but the ideas she instilled in those who knew and loved her will live on to create a golden leaf in the tree of the past.

PREVIEW DAY

Dr. Record (center) Assistant to the President, directed College Preview Day activities. High School juniors and seniors from Colorado, New Mexico, Oklahoma, and Texas toured Wayland.

Dr. Record conferred with one of the sponsors who brought students to the campus.

Lauretta McCuistion (right foreground) a Proud Heir, guided prospective Wayland students through Van Howeling library.

HARRAL GIFT

With Dr. McClung looking on, Mrs. Harral signs the papers providing for the gift.

Dr. McClung announced a $500,000 gift for construction of the Harral Memorial Auditorium, the gift of Mrs. J. L. Harral, Abernathy, in memory of her husband and their son. Standing opposite Mrs. Harral is Dr. Record who escorted her to the stage while the audience gave her a standing ovation.

This is an architect's tentative sketch of the building.

At the Seventh Merit Award Dinner Wayland honored Mrs. J. L. Harral of Abernathy and Mr. J. Oliver Bier of Plainview, both graduates of the college.

Mrs. Harral, who presented the Harral Memorial Auditorium to Wayland, has had a long association with the institution. In 1926-27 she taught here for a year before her marriage to Mr. Harral. She is also on the Board of the Association of Former Students.

Mr. Bier's serving so efficiently as President of the Plainview-Wayland Board of Development for the last year has earned a special place for him with Wayland people. Besides being Plainview's postmaster for seventeen years, he is active in many civic affairs.

E. M. Osborne, chairman of the Trustee Executive Committee, presented a citation to Mrs. Harral as Dr. Record observes.

Members of the First Baptist Church of Lubbock were recognized for that congregation's association with and support of Wayland for fifty years. The church received the Seventh Merit Award Citation to be given an organization. It is one of the largest contributors to Wayland for operational expenses. Representing First Baptist Church at the Banquet were: (front-left) J. D. McPhaul, Mrs. McPhaul, Mrs. Lattimore Ewing, Mrs. J. T. Bolding, Sr.; (back) Preston Johnston, chairman of Wayland Board of Trustees; Mrs. Johnston, Mr. Ewing, Mr. Bolding.

Tommy Lyons, Cliff Harden, Carrie Sue Perry, and Carol Ayers entertained with an excerpt from the opera "Sunday Excursion."

FACULTY RETIREMENT

Upon her retirement after thirteen years at Wayland, Miss Parten received congratulatory letters from her colleagues.

Dr. Sterling McMurrin, the banquet speaker and long time friend of Dr. Neff, is shown with Miss Parten, Dr. Neff, and Dr. McClung.

Dr. Neff, holding a volume of letters from former Wayland students, and Mrs. Neff listened intently while Dr. Jones read a poem from their daughter.

Dean Collmer presented to Dr. Neff a gift in appreciation for his ten active years as Professor of English and Chairman of the Division of Languages and Literature.

CLASS OFFICERS

Seated: Lauretta McCuistion. Social Chairman: Driscilla Dehtan. Secretary; Sandra Cox. Treasurer. Standing: Jerry Goree. Vice-President.

SENATORS

Left to right: Jerre Ann Wyatt. Doug Self. Linda Jacobs.

Doug Self and Bobby Strait sing about a horned toad who thought he was a frog, as part of an International Choir program.

Carolyn James and Cindy Wiginton display some items they acquired while touring Europe as members of the United States Women's All-Star Team.

A smiling Linda Murphy appears to enjoy her work.

Apparently Wayland is not big enough for Ruth Reid and Cliff Harden.

Doug Self says that choir tours are not all work. Carrie Sue Perry seems to agree.

CITIZENSHIP AWARD

Charles K. Edgley and Faythe Ann Blake Wofford were the 1965 recipients of the Wayland Citizenship Award.

The Wayland Citizenship Award is given to inspire students to be outstanding citizens after graduation. Selection is made on the basis of Christian attitudes, acceptable academic record, diversity of interests, loyalty to American ideals, personal integrity, and exemplification of the Wayland spirit. The faculty and junior and senior classes choose a senior man and woman to receive this award. The seniors affix their nameplates to the bronze Citizenship Plaque on the first floor of Gates Hall. The plaque was made possible by Mr. R. V. Payne, president of the Hale County Bank, who eight years ago insured the erection of the plaque by a gift to match the $200 that Wayland had received from Freedom's Foundation at Valley Forge as winner in the college division for its "intergradation of races which has promoted the American Way of Life."

Dr. McClung and the Reverend Glen Braswell, executive secretary of the Colorado-Montana Baptist Convention, joined Faythe Ann and Charles for this picture after the chapel services at which Mr. Braswell made the Citizenship address.

Finishing with a 7-16 record, Coach Clifford Ozmun's Pioneers had the misfortune of entertaining a schedule composed of five nationally-ranked teams. During the season they lost to St. Michael's of Santa Fe, N. M.; Southern Colorado State, Durango, Colo.; St. Joseph's of Albuquerque, N. M.; Midwestern University, Wichita Falls; and McMurry College, Abilene. All five teams had seen the dizzy heights of the national charts at some point during the season, and would have been tough fodder for any team.

In his third season at the team's helm, Ozmun faced difficulties throughout the season with a team that was uncertain in scoring and defense, but one which could knock off any team scheduled on a given night.

Highlights of the Pioneers' season included a startling upset over talent-loaded Howard Payne, 75-71. In that come-from-behind effort the Pioneers sacked in 29 free throws including seven crucial ones by Terry Bugher, junior, in the final half.

Howard Payne was one of many excellent quintets the Pioneers faced during the season. Later in the season at Brownwood, Howard Payne paid the Pioneers back with two close wins.

Trainer Gary Robison

Coach Clifford Ozmun

Coach Clifford came to Wayland from Noble High School in Oklahoma where his teams had notched 75 victories and only 28 losses in four campaigns. En route to that impressive record his teams chalked up two conference championships and deadlocked for a third crown.

Ozmun spent his college days at Oklahoma Baptist University where he earned four basketball and three track letters. In 1955 he was named the university's outstanding athlete.

Before taking up the coaching reins at Noble, Ozmun played a year with the powerful Wichita Vickers of the National Industrial Basketball League.

While at Noble, he earned his master's degree at the University of Oklahoma. He also has done additional graduate study.

District 8 of the National Association of Intercollegiate Athletics, the conference in which Wayland competes, showed one of the best dogfights in recent years. Midwestern and McMurry fought it out all season for the top spot and neither Wayland nor Austin College (the other team in the district) could put a blemish on their district marks. Wayland came close in the first clash with McMurry, losing by only five points to the high-flying Indians, 70-65.

Wayland finished with a firm hold on third place in league play by trouncing Austin College in both league matches. They whipped the Kangaroos 79-68 at home the first time, and then again 63-56 in Sherman. The Wayland five closed their season on a winning note by dumping St. Michael's—another nationally ranked team—with a resounding 92-79 tally in Plainview.

Named to the all-district team from Wayland was B. B. Kendrick, the team's leading scorer and rebounder for the season. Kendrick, finishing with an excellent 17.4 points-per-game average, hit 27 points in the last game of the season against St. Michael's for his personal season high.

HUTCHERSON FLYING QUEENS

Seldom have athletic organizations been as fortunate in their sponsors as Wayland's Flying Queens in Mr. and Mrs. Claude Hutcherson who took over the sponsorship in 1948 and who have made possible competition with teams across the United States and Mexico. Since the Hutchersons began their sponsorship of a small, disorganized group of college women, Wayland's teams have become internationally famous, breaking records in women's basketball. Not limiting his interests to sports alone, Mr. Hutcherson has been named Plainview's Man of the Year for his outstanding community service, including the presidency of the YMCA and directorship of Plainview's Chamber of Commerce. Successful as a farmer, rancher, and in other business endeavors, his Hutcherson Flying Service is recognized as one of the top air services in the United States.

His 18 years as coach of the Wayland Flying have given Harley Redin the reputation of being an avid student of basketball. After stepping down from his position as Wayland athletic director, Redin had opportunity this year to coach the Queens exclusively. Author of "The Queens Fly High," a history of the team and a textbook of women's basketball tactics, Redin as a member of the AAU Rules Committee has for years advocated the addition of the unlimited dribble to present rules to speed up the game. His teams are always strong in fundamentals and especially tough on defense. Before coaching the Flying Queens, he led the Wayland Men's varsity team, the Pioneers, to 204 victories against 117 losses. Since he took over the Flying Queens, the women have won 224 and lost 20, giving him a combined total of 428 wins and 137 losses in 17 years of coaching. Redin also coached the undefeated 1959 United States Women's Team in eight games behind the Iron Curtain in the spring of 1961, and last spring the United States entry in the World Women's Tournament in Lima, Peru.

The Hutcherson Flying Queens finished the season with a 19-3 record including two wins over Nashville Business College. Those games were the season highlight. NBC gained revenge in the final game of the National Tournament with a 47-42 victory, although the Queens outscored their opponents in the second half of the game.

Betty Ransom, Carolyn James, and Cindy Wiginton won All-American honors. This was the second year Cindy Wiginton, Sophomore, has made that team. James and Wiginton were selected for the United States Women's All-Star Team which made an eight-game tour of Europe.

Betty Ransom was the Most Valuable Player and the team's leading scorer with a 17.2 average through twenty-two games. Cindy Wiginton took free throw honors with a 75% average over the season. Darlene Rainey received the Academic Award for the highest scholastic record.

Coach Harley Redin anticipates having a solid team for the 1965-66 season. Despite the loss to NBC, he thought the team material was the best he had ever coached. He added that the national champions, NBC, were strong also. Lola Ham and Mary Lois Finley, both Freshman guards, started during the entire season and did yeoman service. Six scholarships have been given to promising high school prospects for the 1965 team.

Freshmen stand in one of the several lines which they found was a part of college life.

Upperclassmen are slightly bewildered at the color coordination of the Freshmen . . .

But they are talented . . . .

And they work hard.

ACTIVITIES

However, some Freshmen feel that enough is enough and rebel against Masi Tanihara, the Slime Chairman.

The games on Slime Field Day were entertaining. The tow sack race . . . .

. . . . the mud puddles . . . .

. . . . and the pig chase all provided amusing entertainment.

It was worth it all, though, for they are no longer Slimes, but Freshmen. Victory, at last!

Charlotte Taylor Carver smiles at the crowd from the Philokian Club float, "A Dream Come True."

President McClung's expression indicates his enjoyment and approval of the parade.

The Cosmopolitan Club's float was built around the theme, "A Dream That Touched the World." Riding the float was Elizabeth Ramos, the club's nominee.

Sue Ramsey graced the Texas Student Education Association's float "Jacob's Ladder."

Rita Queener and Lynn Heath rang the Victory Bell throughout the Parade.

WAYLAND FIRSTS--

HANDBELL CHOIR

This unique addition to Wayland's music program, under the direction of Mr. Earl Miller requires neither the blending of voices nor the blending of different musical instruments. Made possible by a gift of 25 Schulmerich handbells from J. D. McPhaul, former chairman of the Board of Trustees, the choir is composed of 10 students who are not in any other musical organization. The McPhaul gift consists of a complete set of bells covering two octaves in chromatic scale. The choir's repertoire of both sacred and secular selections, was used before civic groups, schools, and churches. It accompanied the Treble Tones on a spring tour into Mexico.

WAYLAND MUSEUM

Beth Milton and Joe Provence hold an eagle displayed in the Wayland Museum. which retains the bird by special government consent. A faculty committee directed the institution in the first year. Mr. Ron Reynolds, chairman of that group, stressed that the plan is to collect items native to this area, but other articles are being accepted. For instance, the museum contains the rock collection of the late Mr. Fred Schreier, many of whose rocks were from the Southwest and the Pacific Northwest.

WAYLAND BAND

Mr. Robert C. Davidson, better known as "Chief," directed the Wayland Band for this concert. He is widely known and in 1957 while at Plainview High School was named the "Bandmaster of the Year" in Texas. The band appearances this year included the Homecoming Parade and home basketball games. Approximately 20 members composed the band this first year.

West, who coordinated the conference. About 1900 attended lectures delivered to civic clubs, churches, and public schools on the theme "Utilizing Area Resources in Promoting Mental Health." In bringing specialists from New Mexico, Kentucky and Texas, Wayland undertook one of its most far-reaching pieces of area service. Men with key positions on the program were Dr. Daniel Palmer, Las Vegas, New Mexico, superintendent of New Mexico State Hospital; George Gliva, Santa Fe, New Mexico, coordinator of Psychiatric Social Services of the State of New Mexico; and Calhoun Geiger, Houston, director of the High School program of the South Central Region of the American Friends Service Committee.

Dr. Bublis, Assistant Professor of Psychology, introduced Dr. Palmer, the opening speaker of the conference. Fred Robertson, Senior Psychology major, is shown with them.

Dr. Jones, Dean Collmer, and Judge Abernethy applauded as Dr. Palmer concluded his address on "The Role of the Individual in Promoting Mental Health."

WILLSON LECTURES

Dr. Ralph C. Bethea (center), medical missionary to Indonesia, presented four lectures on "The Christian Faith and the Christian Family." Dean Collmer and Dr. Gilmer Johnson, a Plainview physician, are pictured with Dr. Bethea. Mr. and Mrs. J. M. Willson of Floydada make the lectureships possible.

Dr. George K. Schweitzer of Knoxville, Tennessee, shared something amusing with Haruyo Mizuno.

Prior to the 1964 Presidential election, Senator Ralph Yarborough of Texas, presented a non-political speech on legislation he has sponsored.

Chapel at Wayland meets three times a week on Monday, Wednesday, and Friday. To lend variety and to be more informative, the programs emphasize an academic subject on Monday, a religious theme on Wednesday, and a student-chosen topic on Friday. This year Dr. Jerry F. Dawson, Assistant Professor of History, was the Chapel Chairman responsible for inviting speakers and coordinating events for chapel services.

At this chapel Dr. McClung commented on the Wayland Family Bible. Dr. A. Hope Owen, president emeritus of Wayland, is in the background.

Jo Ann Potter (center), planned and coordinated Adoption Day.

BSU SUMMER MISSIONS

The BSU sponsored a car wash to raise money for the summer missions program which each summer sends Baptist students to various areas as missionaries.

Doug Self was chosen from Wayland as a BSU summer missionary to Torreon, Mexico.

Also sponsored by the BSU was the "Destruction Derby." Dr. McClung offers his muscle and money to the cause.

BSU HALLOWEEN PARTY

To announce the BSU Halloween Party, this cleaver-wielding fiend, Doug Self, chased Katrinka Howard into chapel. (Dean Sharp was grateful.)

Donna Sue Sigman and Billy Fred Webb tried to catch these elusive apples.

One student lost his head and this was the gory result. Campus police are still trying to identify the head.

Charlie Brewer, Gary Gilbert, and Bud Brock appear as they really are.

CRO BANQUET

Mr. R. B. Hall explained the organization and purpose of the Council of Religious Organizations for 1965-66. The overwhelming majority of those at the banquet accepted the new format. In essence, the CRO includes all work of the BSU Council, but is an expanded program that encompasses all student religious activities at Wayland.

Dr. McClung said a few words about the new CRO structure also. Mrs. McClung is in the background.

Bob Adams made a few remarks as the out-going BSU President.

Richard Cheatham, Juan Nell Murphy, and Dean Sharp radiated the yuletide spirit at the SGA sponsored Christmas Banquet.

Johnny Sandlin, president of the SGA, opened the Student Lounge and Snack Bar to the student body, which assisted with the purchase of the furnishings.

Here Johnny served Mr. Vernon Norris the first coke in the new facilities.

STUDENT LOUNGE

D'Lee Damron and Joe Jesko enjoyed a fast game of ping pong.

Students met in the lounge for refreshments and conversation.

Ronnie Wesley (foreground), Dirk Engel, Gerald Cagle, and Ted Roach struggled to kidnap a Chi Omicron member as a part of the pledge program.

Bob Gray and Ronnie Wesley posted notice of the abduction, a requirement, and then took the victim's door with them.

CHI OMICRON

This first campus social club was organized in 1963 to increase school spirit and loyalty, promote academic improvement, establish activities on a purely social nature, and project Wayland to Plainview and the surrounding area. Membership is limited to male students who have completed at least 12 semester hours at Wayland with an over-all 2.00 point average.

At a Delta Chi-Chi Omicron function Lynna Wilson won a prize for finding fishing sinkers in mud. No Campus Beauty here!

Cliff Harden also had an affinity for mud but he managed to triumph anyway.

Betty Ransom, Carolyn James, and Betty Sue Thompson entertained for a chapel to acquaint the students with Delta Chi.

Judy Smith Langley and Ora Marriott demonstrated a stick game on the same program.

DELTA CHI

This women's social club exists for the promotion of unity, loyalty, equality, sociability, intellectuality, and quality in the individual and the organization throughout the campus. Its pledge is to maintain high personal and moral standards among its members, to support Wayland and to act as a means of extending Wayland's influence and name throughout the Plainview area. Women students who have completed 12 semester hours at Wayland and maintained a minimum 2.00 grade point may be considered for membership.

These students gathered for a Delta Chi party.

David Akande led the students in singing a Nigerian song at this pledge party function.

Driscilla Dehtan indicated Joe Jesko as Delta Chi's Most Handsome with Cliff Harden and Gerald Cagle as runners-up.

SENIOR CHAPEL

Seniors marched into the chapel to take their places for the traditional Senior Chapel.

Dr. McClung was framed with the Senior Gift, a portrait of him to be painted by Margaret de Souza. Here he holds the frame with Tommy Lyons who made the presentation.

James McGuire received the Timothy Award, an annual presentation to a ministerial student of high leadership and academic ability.

David McGinnis led the congregational singing as Chuck Edgley, Dr. McClung, and Tommy Lyons joined in.

GOLD KEY DINNER

At the banquet the Association of Former Students welcomed Senior Class members into the organization with a certificate of membership and a gold key, a symbol of the opportunities of the future.

PRESIDENT'S RECEPTION

Dr. and Mrs. McClung welcomed Donald Plumlee and Tommy Lyons to the reception which seniors, their families, and friends attended.

Mrs. Boles (right) served refreshments to Robert and Della Jeffrey.

COMMENCEMENT

The seniors indicated that they were ready to begin the ceremonies.

In their last minute preparations faculty members displayed varying degrees of concern.

Dr. McClung led the academic procession followed by Mr. Preston Johnston, chairman of the Board of Trustees, Mr. Ben Wooten of Dallas, Commencement speaker, Dr. W. E. Norman of Quanah, Baccalaureate speaker, Mr. Vessels, and Dean Collmer.

This was the general view while Dr. Norman delivered the charge to the graduates.

SCIENCE

The Oak Ridge Radioisotope Laboratory was in use at Wayland from April 26 to May 7. It is designed to provide specialized training in the techniques and applications of radioisotopes for faculty members and advanced science students at undergraduate institutions.

Eddie Allsup, Judy Wallek, and Patsy Weddington discussed developments in mathematics with Dr. Merlin Ohmer of the University of Southwestern Louisiana.
